

WINDSURF INSTRUCTOR

Watersports are a huge part of The Peligoni Club experience and our coastal location is designed to ensure that our guests get the best of the beautiful Ionian Sea. Whether it's wakeboarding, a sail or an afternoon of windsurfing, The Peligoni Club is the perfect place to enjoy a watersports holiday in Greece.

We like to do things well and that means having the right tools, the right people and the right approach. We equip the beach with the best equipment from the world's top manufacturers, including sailing boats from Laser Performance and RS sailing, windsurfing equipment from Tushingham and Severne, and ski boats by MasterCraft.

Our beach team are the life and soul of the club, with outgoing can-do attitudes to inspire the young and give confidence to the nervous.

Lessons are predominantly one-to-one as we aim to encourage as many guests as we can to get out and have fun on the water in a safe and beautiful environment. The beach team also host a group progression session for beginners throughout the week, as well as group lessons for our teenage guests who more often than not leave Peligoni at the end of the week, eager to return as a member of our infamous beach team in years to come.

We are looking for a fun and energetic team, keen to share their passion for the water with guests of all ages and to inspire, motivate and reassure them in order to help them reach their potential. Our beach team have always been integral to creating the vibrant and welcoming atmosphere that our guests have come to know and love – enthusiasm, confidence, a can-do attitude and a great sense of humour are a must.

It's not all work and no play – in your spare time, as well as being able to explore the island and experience the local food and culture, you will be able to work on your own skills on the water and make the most of the afternoon wind.
